GENERAL TESTING INFORMATION

The Alabama State Board of Auctioneers has contracted with Prov, Inc. to develop, and administer their licensing examination program for state licensed Auctioneer and Apprentice Auctioneer. This bulletin has been developed to help explain the rules and processes you will need to undertake to complete the testing requirement for your Auctioneer and Apprentice Auctioneer licenses.

Alabama law requires that each individual who is engaged in the auctioneer business or performing work as an auctioneer or apprentice auctioneer to be licensed. To become licensed, an individual must first complete the appropriate application with the Alabama State Board of Auctioneers. Applications are posted online at the Alabama State Board of Auctioneer website. Once you have been approved for testing, the Board will notify you that you are eligible to contact Prov to schedule your examination. You will be eligible to take the exam within 60 days of the approval date. Failing candidates must re-apply each time they test.

Prov is not authorized to make the determination of which examination(s) candidates must take. If a candidate is unsure which exam is needed for the license being sought, resolve this question before scheduling. If candidates have questions regarding which exam(s) to take, they must call the Alabama State Board of Auctioneers at (334) 269-9990.

The following is a list of the examinations administered by Prov for licensing through the Alabama State Board of Auctioneers. All exams are closed book and are timed. Detailed information about exam content, duration and reference materials can be found in the Exam Descriptions section of this document.

PREPARING FOR YOUR EXAMS

Studying for your Exam

It is NOT mandatory that candidates purchase any study materials in preparation for their examinations. It is highly recommended that candidates review the Auctioneer License Act and Rules and Regulations in addition to the Preparation and Review Guide for Auctioneer and Apprentice Auctioneer Licensing Examinations. Both of these references can be found at the Board’s website but neither is allowed in the testing room.

TEST DAY RULES AND PROCEDURES

Check-in Deadline

The doors to each testing center will open at least 15 minutes before all scheduled testing appointments in order to check candidates into the testing center. You should plan to arrive early to make sure you are seated by the time the testing begins. If you arrive late, AND the testing session has already begun, YOU WILL BE
TURNED AWAY, will forfeit your exam fees, and will be required to reschedule for a future testing date.

**Proof of Identity**
Upon arriving at the testing center, you will be required to show government-issued, photo-bearing identification. The photo-bearing ID must be current and valid. Forms of valid photo-bearing ID are a driver’s license, passport, or military ID.

You will also be required to sign a test center log and will be photographed by the test center staff. If you cannot produce a valid government-issued photo ID, refuse to participate in signing the test center log, or refuse to be photographed, you will be dismissed from the testing center and forfeit all testing fees for that testing session.

If you do not have a photo ID, you may still present a valid State driver’s license without a photo, a State ID card without a photo that is issued by the DMV, or a birth certificate.

**Prohibited Items**
No cameras, recorders, cell phones or other communication devices are allowed in the testing room. Talking and smoking are not allowed in the testing room.

**Approved Items**
You may bring the following approved items into the testing center:

- **Pencils.**
- **Calculator.** Only simple 4-function calculators are permitted. PDAs, tablets, cell phones or other special calculators are NOT permitted.
- **Approved References.** (See information below).

---

**Visitor Policy**
No one other than the candidate will be allowed in the testing room. Non-testing visitors are NOT permitted to wait in the lobby while candidates test.

**Unethical Conduct Policy**
Any individual caught giving or receiving assistance during or after the examination, or caught using unauthorized materials during the examination will be reported directly to the Department. Those caught in the act of cheating will be dismissed from the examination and their testing results will be frozen. Furthermore, the candidate will forfeit the examination fees paid. Finally, anyone caught with test questions in their possession, either during or following the examination will be prosecuted by Prov for theft of copyrighted testing materials.

---

**RESULTS REPORTING**
Because the examination process is a requirement for licensure with the State of Alabama, candidates automatically consent to permit Prov to share their test results with the State. Upon completion of an examination, a candidate’s test will be scored and sent to the Alabama State Board of Auctioneers.

Prov’s scoring system will grade your exam immediately upon completion of your test and will automatically forward the results to the state board. The Board will mail you your score. Auctioneers must achieve a 73% score in order to pass. Apprentice Auctioneers must achieve a 71% score in order to pass.

---

**RETESTING POLICY**
Candidates who fail the exam or who fail to take the exam by the end of their 60 day eligibility must submit to the Alabama State Board of Auctioneers a retake form along with an additional examination fee. Please visit the Alabama State Board of Auctioneers website for more details and a copy of the form.

Candidates cannot retake an exam once they have passed that exam unless required by the State of Alabama.
EXAM CHALLENGE PROCESS

If during an exam, the candidates encounter a question they think is inaccurate or otherwise incorrect, they are encouraged to submit an Exam Comment to Prov detailing why they feel the question is in error.

Candidates testing on computer may make their comments in the testing system.

Prov staff will review each comment within two weeks of submittal.

Should any comment result in a change to a test question and/or candidate score, Prov will report the change to the Alabama State Board of Auctioneers. The Board will notify the candidate of the score change and issue a new result letter. Detailed answers to questions or comments are not provided for test security purposes.

HAND SCORE REQUEST

Prov ensures the accuracy of our exam results. Our computer system, is designed to identify and report any potential error in data collected from an exam session. If you would like to have your score reassessed for accuracy, you can request a Hand Score by calling Prov at 1-866-720-7768 and asking for a Hand Score Request Form.

A Hand Score Request form requires a signature and must be mailed to Prov. Forms must be received by Prov no later than ninety (90) days after your examination administration date and must be accompanied by a copy of your original score letter.

Once a Hand Score is received, Prov Staff will process the request within seven (7) to ten (10) business days. During the Hand Score process a staff member will ensure that your answers were properly recorded and scored by comparing the captured answers to the exam key. Upon completion of the Hand Score we will provide a letter by mail to report the outcome of the reassessment.

The cost of the hand score is $25.00 (includes tax).

PROV’S NON-DISCRIMINATION STATEMENT

Prov provides equal access to its exams and testing programs for all eligible persons. Although individual jurisdictions that Prov represents are wholly responsible for determining eligibility of candidates, it is the policy of Prov to maintain an environment free of discrimination and to prohibit discrimination and harassment against any person on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, and veteran, marital or family status.

Harassment of Prov program participants, proctors, staff or candidates will not be tolerated. If candidates wish to express concerns about discrimination, they should contact Prov at 866-720-7768 or write to: Prov, Inc., 5200 NW 43rd St., Suite 102-167, Gainesville, FL 32606.

SPECIAL ACCOMMODATIONS

Prov complies with the Americans with Disabilities Act (ADA) in providing special accommodations for candidates that require additional assistance during the testing process. If candidates feel that they qualify for a special accommodation during testing, they should contact Prov at (866) 720-7768. Prov will require written documentation from a licensed physician or psychologist documenting the disability and further require a request describing the requested remedy. Prov will then work directly with the candidates to make the accommodations they will need in order to complete their examination.
The following are the existing testing sites and testing days of the week. Note that sites may change as needed. Please refer to the current online scheduling system to find available testing times for each location.
